How would you describe your business?

PacWhale Eco-Adventures aren't just the experts on whales, who provide the best whale watches on Maui based on our foundation's 40+ years of research and experience. We're also experts on all things ocean and hospitality. All tours are led by Certified Marine Naturalists, giving you the best experience for whale watches, snorkeling, sailing, dining, celestial exploration, and more. We offer the widest array of ocean tours on Maui, with most catered to explorers of all ages. Tours include a Jr. Naturalist program for *keiki* (children), marine life fun facts and commentary on live behavior based on our decades of published research, catering from award-winning food establishment Three's Bar & Grill, and snorkel tours include a Snorkeling 101 class for beginners. Our Certified Marine Naturalists are all CPR and lifeguard certified for all ages to provide maximum safety for our passengers.
